Market data | Facts

Private garden as a growth market!

- » Over 59% of the sector's turnover is generated by the private garden sector – and the trend is rising!
- » DEGA GALABAU focuses strongly on private gardens, as this is the segment in which the largest investments are made.

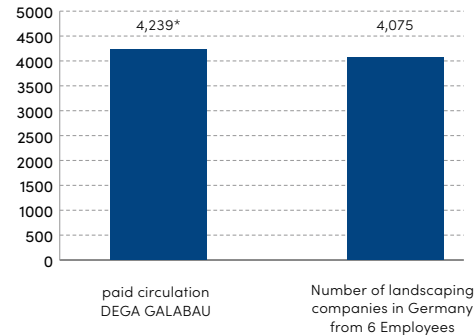

Principals by turnover figures in percent

Source: GaLaBau Service GmbH

21% of the companies have 6 or more employees!

- » 0 - 5 employees = approx. 14,950 landscaping companies.
- » from 6 employees = approx. 4,050 landscaping companies.
- » Of the approximately 19,400 landscaping companies in Germany, about 4,075 have 6 or more employees.
- » DEGA GALABAU, the trade magazine for landscaping companies with the highest IVW-verified paid circulation of 4,239 copies, specifically addresses these companies.

Online seminars

Online seminars combine the speed of the internet with the advantages of personal communication:

Because online seminars are interactive live seminars organised and conducted on the internet, where a clearly defined target group enters into dialogue with experts and "faces" of the industry.

Your opportunities

- » Attend one of our specialist online seminars as a sponsor partner
- » Host and design an online seminar together with us
- » Create your own online seminar - with our organisational and technical support

For more information and individual offers, please contact us.
